Program Description:

A hands-on workshop designed to familiarize participants with the daily functions of the principalship. Participants explore the peaks and valleys of a principal's day-to-day life by prioritizing typical tasks from a principal's in-basket and analyzing a log of daily activities. They review statistics and studies about the current roles and responsibilities inherent in K-12 school leadership, examine and affirm their own professional talents and interests and map personal career plans. Rated most valuable among the daily activities is the opportunity to interact with a panel of successful principals who share their own experiences as administrators and respond to questions from workshop participants.

Workshop Schedule:

Registration - 8:30 a.m.
Morning Session - 9 a.m. - 12 p.m.
Lunch - 12 p.m. - 1 p.m.
Afternoon Session - 1 p.m. - 3:30 p.m.
