Discuss Important Issues With Your Legislators
Let Your Principal Voice Be Heard!

**Revise Act 82 -
Educator Effectiveness Law**

PAESSP believes strongly that the ratings for the Danielson framework and the Framework for Leadership should be judged on their own merits and not be influenced by SPP, teaching specific data and/or elective data.

**Keystones and Project-Based
Assessments**

PAESSP continues to support the use of the Keystone Exams, but supports the elimination of the graduation requirement component. It should be a local decision on how to use the Keystones in conjunction with the course.

**Address Pennsylvania's
Pension Crisis**

PAESSP continues to support a defined benefit plan while also correcting the debt not caused by school employees.

**Increase Public School Funding
Using a Fair Formula**

PAESSP joined the Fair Funding Campaign and support its recommendations for a new school funding formula.
