The Campaign for Fair Education Funding

- **Join hundreds of school leaders** from every corner of PA who will gather to learn about the statewide coalition campaigning for a new adequate and equitable public school funding formula.
- **Begin planning with your regional colleagues** on how you can take action locally to build support for a new school funding formula.
- **Learn the facts** about the current state of school funding in PA and what is required to support students and schools everywhere in the Commonwealth.
- **Meet local and statewide leaders** for the Campaign for Fair Education Funding.
