Dear Educational Leader,

We are excited to announce that four of the leading PA educational organizations (PA Principals Association, PA Association of School Administrators, PA Association for Middle Level Education & PA Association of Supervision and Curriculum Development) have joined forces to offer a new and exciting conference in the Summer of 2016. We also have support from PDE and the Secretary of Education for this event.

The 2016 Pennsylvania Educational Leadership Summit will be held at The Penn Stater Conference Center Hotel on July 24-26, 2016. We anticipate that this will be the signature conference for educational leaders in PA next year and for numerous years to come.

The conference hopes to attract district teams and we are limiting attendees to the first 400 participants. The format of the conference will include: keynote speakers; breakout sessions; table talks on hot topics; team planning and job alike sessions; and a panel discussion on moving from planning to practice.

The conference committee is currently seeking requests for proposals for the small group sessions that will be held on Monday, July 25, 2016. We would greatly appreciate it if you could distribute the attached RFP and encourage your colleagues to submit a proposal for consideration.

Please mark the dates of **July 24-26, 2016** on your calendar now and plan to attend the **2016 Pennsylvania Educational Leadership Summit in State College. Registration information will be coming out in a separate communication.**
