Act 18 of 2019 amended the Public School Code of 1949 by adding Article XIII-E, Threat Assessment. During this live roundtable discussion, representatives from PCCD, PDE's BSE and PDE's OSS will share newly developed resources and model threat assessment guidelines for school-based threat assessment teams. Additionally, they will address some frequently asked questions regarding best practices in threat assessment for school teams.

Suggested participants: *School Administrators, School Psychologists, School Social Workers, School Counselors, Special Educators, School Safety and Security Coordinators, other school staff or community members who can assist with the threat assessment process.*
