

# PA Principals Association Publications – Your Desktop Reference

*Books designed as quick, easy and complete desktop references on issues that school administrators face daily.*

## **Meet & Discuss Rights**

Explains compensation rights afforded middle management employees under Act 93 of 1984 and outlines recommended guidelines to follow for Meet and Discuss sessions. **Revised in 1995.**

## **Student Issues: A Guide for Principals, Administrators and Supervisors**

To be used as a guide to assist principals and supervisors in fulfilling their obligations as educators and administrators to the students and families they serve. It is intended to provide an overview of legal issues and administrative challenges facing educators today, with direction, advice and recommendations for managing those issues effectively.

## **The State of the Principalship 2000 and Beyond**

Explores the shortage of principals, reasons and solutions. Research-based so that building administrators can easily use in their Act 93 meet and discuss sessions.

## **How To Attract and Retain Outstanding School Principals**

Assists school and district leaders in the important task of attracting and retaining outstanding school principals.

## **Act 93 -- Thirty Years Later**

In an effort to determine the effectiveness of the Act 93 legislation, this piece compares responses from a 2014 member survey with that received in 1989 from a similar member survey.
