Your Administrative Team!*

SIMULATIONS FOR SCHOOL LEADERS

Earn 30 PIL Hours!

We Will Bring the Program to Your District!

- Who:** Any school leader that needs Act 45 hours or your entire administrative team.
- Where:** Program is delivered by PA Principals Association Staff/Consultants, and is held in your district.
- When:** You select a full day that is convenient to both your team and the PA Principals Association.
- Cost:** \$185 per individual with a minimum of 10 participants. (You can coordinate with a neighboring school district, too!)

Program Purpose:

Through the use of simulations, participants will sharpen their leadership skills of decision-making using real-life applications.

Key Concepts:

- Participants will know and understand that their everyday decisions have an effect on others.
- Participants will know and understand that the decisions we make are largely based on our past experiences.
- Participants will learn that simulations provide an opportunity for school leaders to make decisions and to play out those decisions in a safe environment.
- The use of simulations will help school leaders hone their people skills.
- The use of simulations will help school leaders practice “tough conversations.”
