

Pennsylvania Youth Mental Health Summit

Lancaster Wyndham Resort and Convention Center • Lancaster, PA

The Pennsylvania Youth Mental Health Summit is a one-day summit gathering school-based and community mental health professionals, youth, policy makers, and other vested partners to dialogue, shared, and lead in addressing Pennsylvania's growing mental health crisis and barrier to student access to care.

Topics Include:

The Kids Are Not Alright: Building Support Systems that Meet Them Where They Are
Mental Health Screening

Pennsylvania Key - A Student Mental Health Summit

Treatment Transitions Back to School: Best Practices

Student Mental Health Panel

Rural Schools and Students – Understanding Key Health Indicators Through Data
Visualizations

United for Resiliency: How United Way Impacts Trauma Informed Care and Youth Mental
Health

Sandy Hook Promise

System of Care, What is it and will it work for you?

Practicing Culturally Responsive Mental Health Supports at the Intersections of Sexual and
Racial Identity

Integrating School Mental Health into a MTSS Framework

State Agencies Panel
