Dr. Quintin Shepherd

Tuesday, August 8th Session

Dr. Quintin Shepherd, a true visionary for the future of education, is the Superintendent at Victoria Independent School District in Victoria, Texas. When Dr. Shepherd came to Victoria, his first priority was to listen to the voice of the community, parents, staff and students, and he then invited those stakeholders to be a part of shaping the future of the district. He focuses on the practice of compassionate leadership and expressing vulnerability, and he believes that's why

radical transparency works.

Dr. Shepherd brings inspiration, hope and valuable insights about how we can transform the way we lead school districts by modifying our approach to some of the most basic leadership practices, which he shares in his new book: *The Secret to Transformational Leadership*. Within the book, he considers how some leaders are able to connect with their communities, followers and stakeholders while others struggle. This guiding question sets the stage for a discussion on the language of leadership and the need for our language to evolve.

Jennifer Reiger, Upper Merion Area High School teacher and author of *Burning Sage* (a collection of short stories), will speak on Sunday, August 6th, at the Awards Dinner.
