

DONNA K. ROSE

CANDIDATE FOR WEST I ELEMENTARY REGIONAL REPRESENTATIVE PA PRINCIPALS ASSOCIATION

Over the last year, I have been honored to serve as the West I Elementary Regional Representative for the PA Principals Association. During this year, I have served our West I Region by continually advocating for growth in membership, attending conferences, participating in many different professional development opportunities and co-planning our regional meeting.

As I complete my 15th year as an elementary principal, I have enjoyed a wide range of opportunities including being named a 2016 NCEE Distinguished Principal and co-designing a school leader endorsement credential for the state of PA. This committee included school leaders from not only the PA Principals Association, but also representatives from state universities and national educational organizations as well. Together we worked to advocate for additional recognition for the hard work school leaders do each day to provide a quality education for all students. As a certified PA PIL learning facilitator, I have the opportunity to work with many of Pennsylvania's new administrators helping them to develop into more effective leaders. Each of these activities represent the passion I have for advocating for excellent school leadership across PA.

Thank you for the opportunity to serve as your representative. If elected, I will continue to advocate for each of you while supporting the excellent work of the PA Principals Association. I would greatly appreciate your vote.

Donna K. Rose
Principal of Clark Elementary
Harbor Creek School District
