

Matthew Moyer

PA Principals Association

Candidate for East Region III

Representative

Who Am I?

I am the principal of Rupert Elementary School in the Pottstown School District. I am in my 18th year as principal of Rupert, and I absolutely love it! Rupert is the school I attended as a child, and Pottstown is the town I grew up in. Giving back to this community is my passion. We serve a community with a high poverty level, and I believe it is my calling to lead this school. I have over 20 years of experience in administration, and over 25 years of experience in education. I started my career as a 5th-grade teacher in the Spring-Ford Area School District. I earned a Masters degree and Principal's certificate, and then spent 3 years as an assistant principal at Schuylkill Valley Elementary School in Leesport, Pennsylvania. From there I moved to my current position as principal of Rupert Elementary School. I have also earned my letter of eligibility to be a superintendent. For the more than ten years I have been the district's safety coordinator and certified CPI Nonviolent Crisis Intervention trainer. I have served numerous roles in the district, and on a variety of committees during my time in the Pottstown School District. In addition to my job as principal, I am a National Speaker, an adjunct professor at Montgomery County Community College and DeSales University, a staff developer with Thom Stecher and Associates, and an educational consultant. My wife, Jen, and I have been married for over twenty years. We have two wonderful children, Isabelle and Addison, and two awesome dogs.

What do I stand for?

I value teamwork and building relationships. I believe that the collective group can do far more than any one individual. I believe that our work as principals is some of the most valuable in all of education. What we do each day impacts children, and changes our future. I am a servant leader, who tries my best to lead by example. I work tirelessly to serve the children, staff, and community in Pottstown, and would do the same for all of you if elected. Truth, honesty and integrity and at the forefront of my core values. If elected, I will do my best to support each of you, the organization, and make decisions based on my core values.
