

## **POWER HOUR: *Five Key Pieces about Act 13***

**SESSION DESCRIPTION:** Whether you're an administrator new to the position or looking for a refresher, we're here to help you plan for a smooth evaluation process.

This session will outline Act 13 legislation and reveal common questions and misunderstandings that could impact educator evaluation. Below are the five key pieces.

- **Classification Matters!** – Here we will discuss the various classifications within Act 13, key terms, and evaluation components for various roles.
- **Let the Framework Do All the Work!** - Review the Frameworks for Observation and Practice, show where they are located, look over the prompts and sample evidence within the frameworks, etc.
- **Great Tools for Reflection!** - We'll review the Student Performance Measure (SPM) template and the Teacher and Principal self-reflection guides.
- **IEP Goals Progress Isn't REALLY That Scary!** - Explain IEP Goals progress, n counts and how it can help professionals within the Teacher Specific Data (TSD) component of the evaluation.
- **Nuances...I Need Help!** - Review the SAS site and share resources, recorded sessions, and how to receive support.
