Dear East Region 2 Secondary Colleagues,

I would be honored to serve as your PA Principals representative.

Coming from a family of educators, I have enjoyed every bit of my nearly three decades in the field. Each day, I get to hang out with kids and staff and help them figure out ways to learn and teach. I have had the fortune of working with fabulous teachers and administrators who have challenged and inspired me both in the classroom and in the principal's office. I desire to share my experience to help our organization and the principals in it.

Here is the short version of my experience:

- Principal, 6 years, at Exeter Township Senior High School.
- Assistant principal, 7 years, at Upper Merion Area High School
- Social studies teacher, grades 6-12, 17 years at Elizabethtown, Kutztown, and Upper Merion.
- Leadership experience in teacher associations, community organizations, and city government.

Our work is difficult. The answers to many of our challenges can be found within our organization. PA Principals is full of experienced professionals who are committed to helping every student, every day. My goal is to develop our local opportunities to tighten our connections and support each other even more. On a smaller scale, I am grateful to my Berks County colleagues for our collaboration. The challenges that face our field are not diminishing and the stronger our relationships, the more successful and confident we will be in facing them.

Thank you for your vote. I look forward to serving you.

Sincerely,

Tom Campbell, Principal
