

Monica Ouly-Uhl

Candidate for East Region II State Director

PA Principals Association

Esteemed Members of the PA Principals Association East II Region,

I am excited to present myself as a candidate for the Secondary State Director of the East II Region of the PA Principals Association Board, and would greatly appreciate your vote.

About me:

I am an assistant principal at Orefield Middle School in the Parkland School District. I have 19 years of experience in administration, and have been working in the field of education for 30+ years. Being an assistant principal was always my dream job, and I absolutely love it!

Although the majority of my career has been spent at Parkland, I am quite familiar with the East II Region, allowing me to appreciate what is unique about each district. I grew up in Schuylkill County and am a proud graduate of North Schuylkill School District. While at Penn State, I completed my student teaching at Southern Middle School in the Reading School District. I began my career, and spent five years teaching Family & Consumer Science at Mahanoy Area High School before taking a teaching position at Springhouse Middle School in the Parkland School District, and then transitioning into administration.

Why You Should Vote For Me:

Throughout my career, I have devoted significant time and energy advocating for education at both the state & national levels. I have a proven dedication to educational leadership and the PA Principals Association. Whether attending or presenting at conferences, participating in professional development opportunities, attending regional gatherings, or working to select the next PA assistant principal of the year, there is no doubt that I am willing to spend my time working to support educational leaders across our state.

I can bring a great deal of experience, insight, and dedication to the PA Principals Association. I understand the challenges facing principals, and know first hand how difficult the job can be. I am committed to empowering principals, advocating for your concerns, and supporting the mission of the Pennsylvania Principals Association. I would be honored to represent the secondary principals of the East II Region.

Thank you for your consideration.
Monica Ouly-Uhl
