Goals of the Program:

This course is designed for building and district level teams or individuals looking to building their leadership skills regardless of position. The text that will focus our efforts is *The 360° Leader* by John Maxwell. This could take the form of any of the following:

- A principal and assistant principal. (1&2)
- A superintendent and assistant superintendent (and other cabinet members). (1&2)
- A principal, or group of principals in a district, without an assistant principal(s) who wants to improve their “leading down” leadership ability. (1-1-1)
- An assistant principal who wants to improve their “leading up” leadership ability. (2-2-2)
- A school or district team. (1-2-3s)

Learning Objectives:

- Review, discuss and improve upon the relationship at the building level / district level to improve overall effectiveness and improve student learning.
- Establish routine opportunities for communication between the team and others.
- Assess trust at the building level / district level and identify pitfalls and opportunities to improve the importance of trust.
