The National Civics Bee® is a national nonpartisan competition that encourages young Americans to engage in civics and contribute to their communities. Participating 6th, 7th, and 8th grade students flex their civics knowledge for a chance to win recognition and cash prizes, and there is no cost to participate. Finalists who advance to the national competition will compete for prizes.

The U.S. Chamber of Commerce Foundation created the National Civics Bee® because they believe informed and active citizens make for a strong country, a strong economy, and a strong workforce, and that our continued prosperity depends on the strength of all three. The Pennsylvania Chamber Foundation is a proud partner of the National Civics Bee® and the host of the Pennsylvania State Civics Bee competition.

For more information, please contact PA Chamber Foundation Executive Director **Elizabeth Bolden** at ebolden@pachamber.org or **717.802.2046**.
