

# Jonathan Bauer

Candidate for President-Elect  
Pennsylvania Principals Association

## **WHO I AM:**

*I am the principal of Upper Merion Area High School where I have been for 20 years and this is my 30<sup>th</sup> year in education. I have served on the PA Principals Association Board in various capacities since 2013 – Regional Representative (2013-2021), NASSP State Coordinator (2021-Present). I also spent 8 years as the principal representative on the PIAA Board of Directors (2016-2024). Through my work in these roles I have come to appreciate the great value that our association has in celebrating the work of principals, advocating for principals at local, state and federal level, providing professional development and support for principals, and growing our next generation of school leaders throughout Pennsylvania.*

## **WHAT I STAND FOR:**

*I have based my leadership experiences in the philosophy of servant leadership. In all that I do professionally I seek to serve the needs of my students, staff, and school community. I would take this same approach to the position of President-Elect and work to serve the needs of all the members of our association.*

## **WHY VOTE FOR ME:**

*I am passionate about the importance of principals in leading successful schools and I have the experience to be a lead representative for principals throughout our state. I also look forward to hearing from our membership to see how the association can best serve their needs. I would appreciate your support on the PA Principals ballot and would be honored to do the work if selected.*
