

Presenter Bio:

Annie Rients is the district multilingual coach and coordinator for Shakopee Public Schools and a national SIOP consultant for Savvas Learning Company. Rients has been a classroom teacher, instructional coach, program coordinator and specialist in the SIOP Model for more than 20 years. She is a contributor to *99 More Ideas for Teaching English Learners in the SIOP Model* and *Making Content Comprehensible for Multilingual Learners*, sixth edition. Rients has provided professional development for teachers, coaches and administrators across the country and works directly with the SIOP authors to develop and facilitate high-quality professional development around the SIOP Model.
